## **KLOTZ DIGITAL NAMES JIM BAKKER SALES DIRECTOR FOR EMEA**

**Munich, August 2007** – KLOTZ DIGITAL today announced that it has appointed Jim Bakker to the position of Sales Director for Europe, Middle East and Africa (EMEA). He is responsible for the sale of the whole range of KLOTZ DIGITAL's Broadcast and Public Address products and to expand the company's sales channel in both markets.

"I am delighted to have joined KLOTZ DIGITAL, as it is a dynamic company well established in the radio broadcast market. Furthermore it offers a broad range of promising products and solutions with great potential to conquer the PA sector," says Jim Bakker. "I will focus strongly on managing and developing KLOTZ DIGITAL's business relations to fuel the company's further growth."

Mr. Bakker is an expert within the PA and RBC market with more than 10 years of experience and a strong sales and project management background. Previous employment includes working for AKG Acoustics GmbH, where Mr. Bakker was fully responsible for sales business in Europe. Prior to that he was involved in sales, consulting, design and installation for high-performance installed sound systems.

"We are pleased that Jim has joined our sales team and welcome his expertise and strong knowledge in the field of professional digital audio," explains Thomas Klotz, CEO of KLOTZ DIGITAL AG. "He will strengthen our activities in selling our products through channel partners in order to better serve our two fast growing target markets."
